RELEVANT KNOWLEDGE, SKILLS, AND EXPERIENCE

With a doctorate in physics, Dr. Hermann Gerlinger has profound knowledge of the technologies relevant for the Siltronic Group. Furthermore, due to his wealth of experience in executive functions as well as his membership on the executive board of an internationally operating manufacturer of semiconductor production equipment, he has comprehensive knowledge of and expertise in the main markets and strategic fields that are key for the Siltronic Group. Dr. Gerlinger draws on a great deal of knowledge of committee work and in the field of corporate governance, not least due to his extensive experience in the management and monitoring of various companies.
