### **Siltronic AG donates T-shirts to Kurfürst-Maximilian-Gymnasium in Burghausen**

**Burghausen, Germany, December 6, 2024** – For the second year in a row, Siltronic AG has donated T-shirts to the Kurfürst-Maximilian-Gymnasium. A total of 66 fifth-grade students received a T-shirt, which served not only as a welcome gift, but also as a symbol of community and belonging.

A special highlight was the personal distribution of the T-shirts to the students.

"We are pleased to be able to bring joy to the students of the Kurfürst-Maximilian-Gymnasium with the T-shirts and to accompany them on their way into a new phase of their lives," emphasized Julia Zechmeister, Head of Recruiting at Siltronic in Burghausen.

Siltronic places particular value on the promotion of education and young talent. The partnership between Siltronic and Kurfürst-Maximilian-Gymnasium underscores the importance of cooperation between local companies and educational institutions. Such initiatives make a valuable contribution to promoting equal opportunities while strengthening the connection between schools and business.

**Company profile:**

As one of the leading wafer manufacturers, Siltronic is globally oriented and operates production sites in Asia, Europe, and the USA. Silicon wafers are the foundation of the modern semiconductor industry and the basis for chips in all electronic applications – from computers and smartphones to electric cars and wind turbines. The international company is highly customer-oriented and focuses on quality, precision, innovation, and growth. Siltronic AG employs around 4,500 people worldwide and has been listed in the Prime Standard of the German Stock Exchange since 2015. Siltronic AG shares are included in both the MDAX and TecDAX stock market indices.
